

A Day of

LEISURE & LEARNING

on the **LITTLE CALUMET**

Saturday, May 4th, 2013

Meet at 1:00 pm at Brummitt School Parking Lot

Join the Little Calumet River East Branch Watershed Group for a free day of fun for the whole family on the River.

Activities include:

- **Hike** through the new Little Calumet River Wetlands Preserve and discuss how wetlands protect the river
- Enjoy a **paddle** trip on the River (limited boats and lifejackets available)
- Hunt for “benthic macroinvertebrates”, the bugs that live in the river, and **learn** what they can tell us about water quality
- **View** a watershed model and learn how our activities on the land impact Lake Michigan
- **Hear** about Emerald Ash Borer and how it could impact the River.
